## ABOUT THE FESTIVAL

*This year's inaugural festival is a celebration of Maryland's global relationships through the Maryland Sister States Program.*

*Each evening's screening includes an introduction to the film donated by a Maryland Sister State and a post-screening discussion led by cultural or film experts. The festival also features an evening of film student shorts from participating regions.*

*The Film Festival is now accepting membership and sponsor contributions for next year's festival. All proceeds benefit the numerous Sister States initiatives and exchanges throughout the year.*
